**REQUEST TO WITHDRAW HOLDING OF ABANDONMENT AND,
IN THE ALTERNATIVE, PETITION TO REVIVE UNINTENTIONALLY
ABANDONED APPLICATION PURSUANT TO 37 C.F.R. 1.137(b)**

Dear Sir:

The Applicant of the above-identified patent application received notification that the U.S.P.T.O. has entered a holding of abandonment in the above-identified patent application.

The undersigned attorney for the Applicant believes that the holding of abandonment to be in error. And, accordingly, request is hereby made to remove the holding of abandonment.

The holding of abandonment was entered, apparently for failure by the Applicant properly to respond to an office action dated 22 February 2006.

By amendment data 22 May 2006, a response; pursuant to 37 C.F.R. 1.114, was submitted, using electronic filing procedures. And, on 23 May 2006, the fees required pursuant to a Rule 114 filing were debited from the deposit account of the undersigned.

By Notice of Non-Compliant Amendment dated 23 May 2006, the undersigned was notified of non-compliance of the 22 May 2006 response. The communication indicated the non-compliance to be due to amendments to the claims to be "Other – Claim 8 is a multiple amdt filed 12-2-05".

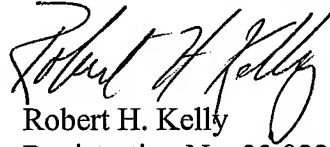

By further correspondence, dated 1 June 2006, the undersigned submitted papers believed to place the amendment in compliance with the USPTO requirements, together with authorization for the USPTO to debit the deposit account of the undersigned for all fees required pursuant to the submission, including any extension of time petition fees. Copies of the 1 June 2006 correspondence are attached hereto, together with an Electronic Acknowledgment evidencing USPTO receipt of the correspondence.

As the undersigned believes that a compliant amendment to have been submitted to the USPTO, together with authorization by the USPTO to debit the deposit account of the undersigned for any required extension of time fees, request is made to withdraw the holding of abandonment. In the alternative, the petition is made to revive an unintentionally abandoned application pursuant to 37 C.F.R. 1.137(b). The undersigned avers that the entire delay in filing the required reply until the filing of a grantable petition pursuant to 37 C.F.R. 1.137(b) is unintentional.

Application No. 10/674,109
Request dated April 23, 2007

The Commissioner is authorized to debit deposit account no. 50-2032 for all fees related to this Request and Petition, including the petition fee required pursuant to 37 C.F.R. 1.17(m).

Respectfully submitted,

Robert H. Kelly
